

Who is Midwest Corporate Federal Credit Union?

Midwest Corporate Federal Credit Union is a corporate credit union serving the financial and correspondent needs of credit unions and credit union organizations.

A corporate credit union is a credit union (financial cooperative) who is primarily operated for the purpose of providing service to other credit unions. In addition, the National Credit Union Administration regulations require that a corporate credit union cannot require membership in any other organization as a basis for membership.

Our Mission

The mission of Midwest Corporate Federal Credit Union is to serve members by promoting value-added financial and correspondent services consistent with safety and soundness principles.

Our Vision

Midwest Corporate Federal Credit Union, through cooperative efforts, will be a thriving organization leveraging its resources wisely to provide leadership, support services, and innovative solutions to meet credit union financial needs.

Midwest Corporate Federal Credit Union will only succeed through sound business values based on respect, integrity, honesty, commitment, and world-class service. In addition, we expect our business partners to embrace these same values.

Midwest Corporate Federal Credit Union will work cooperatively with credit union leagues and other credit union organizations to support credit unions locally and nationally.

Midwest Corporate Federal Credit Union will be an advocate for its member credit unions, both locally and nationally, on issues important to them.
